

AFSHAN AHAMED M

+91-7337611233 | ahamedafshan801@gmail.com | Tumakuru, Karnataka

PROFILE

Enthusiastic and detail-oriented Front-End Developer with a strong foundation in web design and development. Recently completed a comprehensive Python Full Stack Developer (FSD) course, with a focus on front-end technologies. Proficient in HTML, CSS, JavaScript, and well-versed in responsive design principles. Hands-on experience in creating visually appealing and user-friendly web applications.. Seeking an opportunity to leverage my skills and passion for coding in a dynamic and innovative environment.
